

# real estate SMB solutions.

**MARKETING YOUR REAL ESTATE BUSINESS HAS NEVER BEEN THIS EASY.**

With Photofy, you can allow your team to customize templates with personal or stock photos/videos, colorize to their needs or create their own custom photos or videos!

Design to any size available for various mediums.

## CUSTOMIZABLE MARKETING ASSETS

### TEMPLATES

Enable employees to timely engage with localized and personalize content sized for various digital or print mediums.

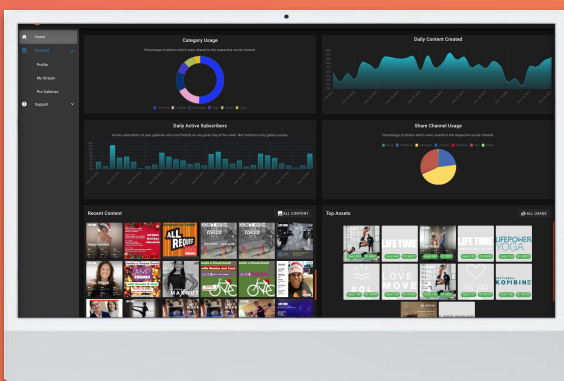

### QUICK SHARE

Pre-designed graphics, flyers, or videos with copy for teams - no design or editing needed. Replace the need for drive folders, desktops or multiple sharing apps.

### FREE-FORM CREATIVE

Utilize brand assets such as logos and identity marks. Resize graphics for any selected platform for photo and video.

## BRAND CONTROL AND TRANSPARENCY

### CUSTOMER PORTAL

Gain admin rights to full corporate control within portal - intelligent user insights, home office teams can consistently, and with clarity. View content creation in real time, make informed decisions about designs, manage asset galleries, gamify engagement and most importantly - see the value of content amplification within their community.
